COUNCIL AGENDA ITEM FORM

MEETING DATE: August 4, 2025

AGENDA ITEM #: 6.

SUBMITTED BY: Lee Garcia, Finance Director

ITEM DESCRIPTION:

Discussion and possible action on the record vote to place adoption of the proposed 2025 tax rate on a future agenda and to set dates for two public hearings.

STAFF RECOMMENDATION/ITEM SUMMARY:

The Texas Tax Code requires the City Council to take a record vote on the property tax rate projected to fund the FY 2025-2026 Proposed Operating and Capital Budget. This vote only establishes the "ceiling" for the property tax rate and sets two future public hearing dates and the adoption date of the property tax rate. The current tax rate is .539082.

The first suggested motion sets the tax rate adoption for the City Council meeting of August 18, 2025. The second suggested motion sets August 11 and August 18, 2025, as the dates for the public hearings on the tax rate.

FISCAL IMPACT:

Amount Budgeted - N/A

Line Item in Budget - N/A

SUGGESTED MOTION:

- 1) "I move to place adoption of a tax rate of \$.539082 cents per \$100 valuation, equaling \$.189732 cents for debt service and \$.349350 cents for maintenance and operations, as an action item for the August 18, 2025, council meeting to be held at 7:00 p.m., in the Hewitt City Hall, Council Chambers, 200 Patriot Court, Hewitt, Texas" AND
- 2) "I move to set two public hearings to be held on Monday, August 11, 2025, at 7:00 p.m. and Monday, August 18, 2025, at 7:00 p.m., in Hewitt City Hall, Council Chambers, 200 Patriot Court, Hewitt, Texas."

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue (NNR) tax rate and voter-approval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submits the rates to the governing body by Aug. 7 or as soon thereafter as practicable.

School districts do not use this form, but instead use Comptroller Form 50-859 *Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements* or Comptroller Form 50-884 *Tax Rate Calculation Worksheet, School District with Chapter 313 Agreements*.

Water districts as defined under Water Code Section 49.001(1) do not use this form, but instead use Comptroller Form 50-858 *Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts* or Comptroller Form 50-860 *Developed Water District Voter-Approval Tax Rate Worksheet*.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No-New-Revenue Tax Rate

The NNR tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of taxes (no new taxes) if applied to the same properties that are taxed in both years. When appraisal values increase, the NNR tax rate should decrease.

The NNR tax rate for a county is the sum of the NNR tax rates calculated for each type of tax the county levies.

While uncommon, it is possible for a taxing unit to provide an exemption for only maintenance and operations taxes. In this case, the taxing unit will need to calculate the NNR tax rate separately for the maintenance and operations tax and the debt tax, then add the two components together.

SECTION 2: Voter Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. The voter-approval tax rate is split into two separate rates:

- Maintenance and Operations (M&O) Tax Rate:** The M&O portion is the tax rate that is needed to raise the same amount of taxes that the taxing unit levied in the prior year plus the applicable percentage allowed by law. This rate accounts for such things as salaries, utilities and day-to-day operations.
- Debt Rate:** The debt rate includes the debt service necessary to pay the taxing unit's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The voter-approval tax rate for a county is the sum of the voter-approval tax rates calculated for each type of tax the county levies. In most cases the voter-approval tax rate exceeds the no-new-revenue tax rate, but occasionally decreases in a taxing unit's debt service will cause the NNR tax rate to be higher than the voter-approval tax rate.

Cities, counties and hospital districts may levy a sales tax specifically to reduce property taxes. Local voters by election must approve imposing or abolishing the additional sales tax. SECTION 4: Voter Approval Tax Rate Adjustment for Pollution Control

A taxing unit may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The taxing unit's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The taxing unit must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

SECTION 5: Voter Approval Tax Rate Adjustment for Unused Increment Rate

The unused increment rate is the rate equal to the sum of the prior 3 years Foregone Revenue Amounts divided by the current taxable value. ³⁹ The Foregone Revenue Amount for each year is equal to that year's adopted tax rate subtracted from that year's voter-approval tax rate adjusted to remove the unused increment rate multiplied by that year's current total value. ⁴⁰

The difference between the adopted tax rate and adjusted voter-approval tax rate is considered zero in the following scenarios:

- a tax year in which a taxing unit affected by a disaster declaration calculates the tax rate under Tax Code Section 26.042; ⁴¹
- a tax year in which the municipality is a defunding municipality, as defined by Tax Code Section 26.0501(a); ⁴² or
- after Jan. 1, 2022, a tax year in which the comptroller determines that the county implemented a budget reduction or reallocation described by Local Government Code Section 120.002(a) without the required voter approval. ⁴³

SECTION 7: Voter Approval Tax Rate Adjustment for Emergency Revenue Rate

In the tax year after the end of the disaster calculation time period detailed in Tax Code Section 26.042(a), a taxing unit that calculated its voter-approval tax rate in the manner provided for a special taxing unit due to a disaster must calculate its emergency revenue rate and reduce its voter-approval tax rate for that year.⁴⁷

Similarly, if a taxing unit adopted a tax rate that exceeded its voter-approval tax rate, calculated normally, without holding an election to respond to a disaster, as allowed by Tax Code Section 26.042(d), in the prior year, it must also reduce its voter-approval tax rate for the current tax year.⁴⁸

This section will apply to a taxing unit other than a special taxing unit that:

- directed the designated officer or employee to calculate the voter-approval tax rate of the taxing unit in the manner provided for a special taxing unit in the prior year; and
- the current year is the first tax year in which the total taxable value of property taxable by the taxing unit as shown on the appraisal roll for the taxing unit submitted by the assessor for the taxing unit to the governing body exceeds the total taxable value of property taxable by the taxing unit on January 1 of the tax year in which the disaster occurred or the disaster occurred four years ago. This section will apply to a taxing unit in a disaster area that adopted a tax rate greater than its voter-approval tax rate without holding an election in the prior year.

Note: This section does not apply if a taxing unit is continuing to calculate its voter-approval tax rate in the manner provided for a special taxing unit because it is still within the disaster calculation time period detailed in Tax Code Section 26.042(a) because it has not met the conditions in Tax Code Section 26.042(a)(1) or (2).

Section 3. CHARACTERISTICS OF THE CERTIFICATES.

(a) Appointment of Paying Agent/Registrar. The Issuer hereby appoints BOKF, NA, Dallas, Texas, to serve as paying agent and registrar for the Certificates (the "Paying Agent/Registrar"). The Mayor or City Manager is authorized and directed to execute and deliver in the name and on behalf of the Issuer a Paying Agent/Registrar Agreement with the Paying Agent/Registrar.

(b) Registration, Transfer, Conversion and Exchange. The Issuer shall keep or cause to be kept at the corporate trust office of the Paying Agent/Registrar books or records for the registration of the transfer, conversion and exchange of the Certificates (the "Registration Books"), and the Issuer hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such registrations of transfers, conversions and exchanges under such reasonable regulations as the Issuer and

Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, conversions and exchanges as herein provided within three (3) days of presentation in due and proper form. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the registered owner of each Certificate to which payments with respect to the Certificates shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The Issuer shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Issuer shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Certificate or Certificates. Registration of assignments, transfers, conversions and exchanges of Certificates shall be made in the manner provided and with the effect stated in the FORM OF CERTIFICATE set forth in this Ordinance. Each substitute Certificate shall bear a letter and/or number to distinguish it from each other Certificate.

(c) Authentication. Except as otherwise provided in this Section, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Certificate, date and manually sign said Certificate, and no such Certificate shall be deemed to be issued or outstanding unless such Certificate is so executed. The Paying Agent/Registrar promptly shall cancel all paid Certificates and Certificates surrendered for conversion and exchange. No additional ordinances, orders or resolutions need be passed or adopted by the governing body of the Issuer or any other body or person so as to accomplish the foregoing conversion and exchange of any Certificate or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution and delivery of the substitute Certificates in the manner prescribed herein. Pursuant to Subchapter D, Chapter 1201, Texas Government Code, the duty of conversion and exchange of Certificates as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of said Certificate, the converted and exchanged Certificate shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Certificates which initially were issued and delivered pursuant to this Ordinance, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

(d) Payment of Principal and Interest. The Issuer hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Certificates, all as provided in this Ordinance. The Paying Agent/Registrar shall keep proper records of all payments made by the Issuer and the Paying Agent/Registrar with respect to the Certificates, and of all conversions and exchanges of Certificates, and all replacements of Certificates, as provided in this Ordinance. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each registered owner appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

(e) Payment to Registered Owner. Notwithstanding any other provision of this Ordinance to the contrary, the Issuer and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Certificate is registered in the Registration Books as the absolute owner of such Certificate for the purpose of payment of principal and interest with respect to such Certificate, for the purpose of registering transfers with respect to such Certificate, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Certificates only to or upon the order

of the registered owners, as shown in the Registration Books as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of and interest on the Certificates to the extent of the sum or sums so paid.

(f) Paying Agent/Registrar. The Issuer covenants with the registered owners of the Certificates that at all times while the Certificates are outstanding the Issuer will provide a competent and legally qualified bank, trust company, financial institution or other agency to act as and perform the services of Paying Agent/Registrar for the Certificates under this Ordinance, and that the Paying Agent/Registrar will be one entity. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

(g) Substitute Paying Agent/Registrar. The Issuer reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than one hundred-twenty (120) days written notice to the Paying Agent/Registrar, to be effective not later than sixty (60) days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Issuer covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Certificates, to the new Paying Agent/Registrar designated and appointed by the Issuer. Upon any change in the Paying Agent/Registrar, the Issuer promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Certificates, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar.

(h) Book-Entry Only System. The Certificates issued in exchange for the Certificates initially issued to the purchaser or purchasers specified herein shall be initially issued in the form of a separate single fully registered Certificate for each of the maturities thereof and the ownership of each such Certificate shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), and except as otherwise provided herein, all of the outstanding Certificates shall be registered in the name of Cede & Co., as nominee of DTC.

(i) Blanket Letter of Representations. The previous execution and delivery of the Blanket Letter of Representations with respect to obligations of the Issuer is hereby ratified and confirmed; and the provisions thereof shall be fully applicable to the Certificates. Notwithstanding anything to the contrary contained herein, while the Certificates are subject to DTC's Book-Entry Only System and to the extent permitted by law, the Letter of Representations is hereby incorporated herein and its provisions shall prevail over any other provisions of this Ordinance in the event of conflict.

(j) Certificates Registered in the Name of Cede & Co. With respect to Certificates registered in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created ("DTC Participant") to hold securities to facilitate the clearance and settlement of securities transactions among DTC Participants or to any person on behalf of whom such a DTC Participant holds an interest in the Certificates. Without limiting the immediately preceding sentence, the Issuer and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Certificates, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of Certificates, as shown on the Registration Books, of any

notice with respect to the Certificates, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of Certificates, as shown in the Registration Books of any amount with respect to principal of or interest on the Certificates. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks being mailed to the registered owner at the close of business on the Record date, the words "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(k) Successor Securities Depository; Transfers Outside Book-Entry Only System. In the event that the Issuer determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the Issuer to DTC or that it is in the best interest of the beneficial owners of the Certificates that they be able to obtain certificated Certificates, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Certificates to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Certificates and transfer one or more separate Certificates to DTC Participants having Certificates credited to their DTC accounts. In such event, the Certificates shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names registered owners transferring or exchanging Certificates shall designate, in accordance with the provisions of this Ordinance.

(l) Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Certificate is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Certificate and all notices with respect to such Certificate shall be made and given, respectively, in the manner provided in the representation letter of the Issuer to DTC.

(m) General Characteristics of the Certificates. The Certificates (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Certificates to be payable only to the Registered Owners thereof, (ii) may and shall be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Certificates, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) the principal of and interest on the Certificates shall be payable, and (viii) shall be administered and the Paying Agent/Registrar and the Issuer shall have certain duties and responsibilities with respect to the Certificates, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF CERTIFICATE set forth in this Ordinance. The Certificates initially issued and delivered pursuant to this Ordinance is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Certificate issued in conversion of and exchange for any Certificate or Certificates issued under this Ordinance the Paying Agent/Registrar shall execute the Paying Agent/Registrar's Authentication Certificate, in the FORM OF CERTIFICATE set forth in this Ordinance.

(n) Cancellation of Initial Certificate. On the closing date, one initial Certificate representing the entire principal amount of the Certificates, payable in stated amounts to the order of the initial purchaser of the Certificates or its designee, executed by manual or facsimile signature of the Mayor and City Secretary, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to such purchaser or its designee. Upon payment for the initial Certificate, the Paying Agent/Registrar shall cancel the initial Certificate and deliver to DTC on behalf of such purchaser one registered definitive Certificate for each year of maturity of the Certificates, in the aggregate principal amount of all of the Certificates for such maturity, registered in the name of Cede & Co., as nominee of DTC. To the extent that the Paying Agent/Registrar is eligible to participate in DTC's

FAST System, pursuant to an agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Certificates in safekeeping for DTC.

Section 4. FORM OF CERTIFICATES. The form of the Certificates, including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas to be attached to the Certificates initially issued and delivered pursuant to this Ordinance, shall be, respectively, substantially as follows, with such appropriate variations, omissions or insertions as are permitted or required by this Ordinance.

Among other requirements for such assignment and transfer, this Certificate must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Certificate or any portion or portions hereof in any integral multiple of \$5,000 to the assignee or assignees in whose name or names this Certificate or any such portion or portions hereof is or are to be registered. The form of Assignment printed or endorsed on this Certificate may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Certificate or any portion or portions hereof from time to time by the registered owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Certificate or portion thereof will be paid by the Issuer. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition

precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, conversion, or exchange (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or (ii) with respect to any Certificate or any portion thereof called for redemption prior to maturity, within forty-five (45) days prior to its redemption date.

IN THE EVENT any Paying Agent/Registrar for the Certificates is changed by the Issuer, resigns, or otherwise ceases to act as such, the Issuer has covenanted in the Ordinance that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the registered owners of the Certificates.

IT IS HEREBY certified, recited and covenanted that this Certificate has been duly and validly authorized, issued and delivered; that all acts, conditions and things required or proper to be performed, exist and be done precedent to or in the authorization, issuance and delivery of this Certificate have been performed, existed and been done in accordance with law; and that annual ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Certificate, as such interest comes due and such principal matures, have been levied and ordered to be levied against all taxable property in said Issuer, and have been pledged for such payment, within the limit prescribed by law, and that this Certificate is additionally secured by and payable from a limited pledge of the Surplus Revenues of the Issuer's waterworks and sewer system remaining after payment of all operation and maintenance expenses thereof, and all debt service, reserve and other requirements in connection with all of the Issuer's revenue obligations (now or hereafter outstanding) that are payable from all or part of said revenues, all as provided in the Ordinance.

THE ISSUER HAS RESERVED THE RIGHT to amend the Ordinance as provided therein, and under some (but not all) circumstances amendments thereto must be approved by the registered owners of a majority in aggregate principal amount of the outstanding Certificates.

(COMPTROLLER'S SEAL)

(e) Initial Certificate Insertions.

(i) The initial Certificate shall be in the form set forth is paragraph (a) of this Section, except that:

A. immediately under the name of the Certificate, the headings "Interest Rate" and "Maturity Date" shall both be completed with the words "As shown below" and "CUSIP No. _____" shall be deleted.

B. the first paragraph shall be deleted and the following will be inserted:

"THE CITY OF HEWITT, TEXAS, in McLennan County, Texas (the "Issuer"), being a political subdivision and municipal corporation of the State of Texas, hereby promises to pay to the Registered Owner specified above, or registered assigns (hereinafter called the "Registered Owner"), on August 1 in each of the years, in the principal amounts and bearing interest at the per annum rates set forth in the following schedule:

Years (7/1)	Principal Amounts (\$)	Interest Rates (%)
_____	_____	_____

(Information from Section 2 to be inserted)

The Issuer promises to pay interest on the unpaid principal amount hereof (calculated on the basis of a 360-day year of twelve 30-day months) from August 1, 2025, at the respective Interest Rate per annum specified above. Interest is payable on January 1, 2026, and semiannually on each July 1 and January 1 thereafter to the date of payment of the principal installment specified above, or the date of redemption prior to maturity; except, that if this Certificate is required to be authenticated and the date of its authentication is later than the first Record Date (hereinafter defined), such Principal Amount shall bear interest from the interest payment date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following interest payment date, in which case such principal amount shall bear interest from such next following interest payment date; provided, however, that if on the date of authentication hereof the interest on the Certificate or Certificates, if any, for which this Certificate is being exchanged is due but has not been paid, then this Certificate shall bear interest from the date to which such interest has been paid in full."

C. The Initial Certificate shall be numbered "T-1."

Section 5. INTEREST AND SINKING FUND; SURPLUS REVENUES.

(a) A special "Interest and Sinking Fund" is hereby created and shall be established and maintained by the Issuer as a separate fund or account and the funds therein shall be deposited into and held in an account at an official depository bank of said Issuer. Said Interest and Sinking Fund shall be kept separate

and apart from all other funds and accounts of said Issuer, and shall be used only for paying the interest on and principal of said Certificates. All amounts received from the sale of the Certificates as accrued interest shall be deposited upon receipt to the Interest and Sinking Fund, and all ad valorem taxes levied and collected for and on account of said Certificates shall be deposited, as collected, to the credit of said Interest and Sinking Fund. During each year while any of said Certificates are outstanding and unpaid, the governing body of said Issuer shall compute and ascertain a rate and amount of ad valorem tax that will be sufficient to raise and produce the money required to pay the interest on said Certificates as such interest comes due, and to provide and maintain a sinking fund adequate to pay the principal of said Certificates as such principal matures (but never less than 2% of the original amount of said Certificates as a sinking fund each year); and said tax shall be based on the latest approved tax rolls of said Issuer, with full allowances being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in said Issuer, for each year while any of said Certificates are outstanding and unpaid, and said tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of said Certificates, as such interest comes due and such principal matures, are hereby pledged for such payment, within the limit prescribed by law.

(b) The Certificates are additionally secured by a limited pledge, not to exceed \$1,000, of revenues of the Issuer's waterworks and sewer system that remain after the payment of all maintenance and operation expenses thereof, and all debt service, reserve and other requirements in connection with all of the Issuer's revenue obligations (now or hereafter outstanding) that are secured by a lien on all or any part of the net revenues of the Issuer's waterworks and sewer system, constituting "Surplus Revenues". The Issuer shall deposit such Surplus Revenues to the credit of the Interest and Sinking Fund created pursuant to this section, to the extent necessary to pay the principal of and interest on the Certificates. Notwithstanding the requirements of this section, if Surplus Revenues or other lawfully available moneys of the Issuer are actually on deposit in the Interest and Sinking Fund in advance of the time when ad valorem taxes are scheduled to be levied for any year, then the amount of taxes that otherwise would have been required to be levied pursuant to this Section may be reduced to the extent and by the amount of the Surplus Revenues or other lawfully available funds then on deposit in the Interest and Sinking Fund.

(c) Chapter 1208, Texas Government Code, applies to the issuance of the Certificates and the pledge of the taxes and Surplus Revenues granted by the Issuer under this Section, and is therefore valid, effective, and perfected. Should Texas law be amended at any time while the Certificates are outstanding and unpaid, the result of such amendment being that the pledge of the taxes and Surplus Revenues granted by the Issuer under this Section, is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, in order to preserve to the registered owners of the Certificates a security interest in said pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code and enable a filing of a security interest in said pledge to occur.

Section 6. DEFEASANCE OF CERTIFICATES.

(a) Any Certificate and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Certificate") within the meaning of this Ordinance, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Certificate, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or

(2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Issuer with the Paying Agent/Registrar for the payment of its services until all Defeased Certificates shall have become due and payable. At such time as a Certificate shall be deemed to be a Defeased Certificate hereunder, as aforesaid, such Certificate and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged or the limited pledge of Surplus Revenues as provided in this Ordinance, and such principal and interest shall be payable solely from such money or Defeasance Securities, and thereafter the Issuer will have no further responsibility with respect to amounts available to such paying agent (or other financial institution permitted by applicable law) for the payment of such Defeased Certificates, including any insufficiency therein caused by the failure of such paying agent (or other financial institution permitted by applicable law) to receive payment when due on the Defeasance Securities. Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem Defeased Certificates that is made in conjunction with the payment arrangements specified in subsection 6(a)(i) or (ii) of this Section shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the Issuer expressly reserves the right to call the Defeased Certificates for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Certificates immediately following the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the Issuer be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Certificates and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Issuer, or deposited as directed in writing by the Issuer. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Certificates may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection 6(a)(i) or (ii) of this Section. All income from such Defeasance Securities which is not required for the payment of the Defeased Certificates, with respect to which such money has been so deposited, shall be remitted to the Issuer or deposited as directed in writing by the Issuer.

(c) The term "Defeasance Securities" means any securities and obligations now or hereafter authorized by law.

(d) Until all Defeased Certificates shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Certificates the same as if they had not been defeased, and the Issuer shall make proper arrangements to provide and pay for such services as required by this Ordinance.

(e) In the event that the Issuer elects to defease less than all of the principal amount of Certificates of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Certificates by such random method as it deems fair and appropriate.

Section 7. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED CERTIFICATES.

(a) Replacement Certificates. In the event any outstanding Certificate is damaged, mutilated, lost, stolen or destroyed, the Paying Agent/Registrar shall cause to be printed, executed and delivered, a new certificate of the same principal amount, maturity and interest rate, as the damaged, mutilated, lost, stolen or destroyed Certificate, in replacement for such Certificate in the manner hereinafter provided.

(b) Application for Replacement Certificates. Application for replacement of damaged, mutilated, lost, stolen or destroyed Certificates shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft or destruction of a Certificate, the registered owner applying for a replacement certificate shall furnish to the Issuer and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft or destruction of a Certificate, the registered owner shall furnish to the Issuer and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft or destruction of such Certificate, as the case may be. In every case of damage or mutilation of a Certificate, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Certificate so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this Section, in the event any such Certificate shall have matured, and no default has occurred that is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Certificate, the Issuer may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Certificate) instead of issuing a replacement Certificate, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Certificates. Prior to the issuance of any replacement certificate, the Paying Agent/Registrar shall charge the registered owner of such Certificate with all legal, printing, and other expenses in connection therewith. Every replacement certificate issued pursuant to the provisions of this Section by virtue of the fact that any Certificate is lost, stolen or destroyed shall constitute a contractual obligation of the Issuer whether or not the lost, stolen or destroyed Certificate shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Certificates duly issued under this Ordinance.

(e) Authority for Issuing Replacement Certificates. In accordance with Section 1206.022, Texas Government Code, this Section 7 of this Ordinance shall constitute authority for the issuance of any such replacement certificate without necessity of further action by the governing body of the Issuer or any other body or person, and the duty of the replacement of such certificates is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Certificates in the form and manner and with the effect, as provided in Section 3 of this Ordinance for Certificates issued in conversion and exchange for other Certificates.

Section 8. CUSTODY, APPROVAL, AND REGISTRATION OF CERTIFICATES; BOND COUNSEL'S OPINION; CUSIP NUMBERS AND CONTINGENT INSURANCE PROVISION, IF OBTAINED; ENGAGEMENT OF BOND COUNSEL.

(a) The Mayor of the Issuer is hereby authorized to have control of the Certificates initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Certificates pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Certificates said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall sign manually, by facsimile, electronically or otherwise, the Comptroller's Registration Certificate attached to such Certificates, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Certificate. The approving legal opinion of the Issuer's Bond Counsel and the assigned CUSIP numbers may, at the option of the Issuer, be printed on the Certificates issued and delivered under this Ordinance, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Certificates. In addition, if bond insurance is obtained, the Certificates may bear an appropriate legend as provided by the insurer.

(b) The obligation of the initial purchaser to accept delivery of the Certificates is subject to the release of the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the Issuer. The engagement of such firm as bond counsel to the Issuer in connection with issuance, sale and delivery of the Certificates is hereby approved and confirmed.

Section 9. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE CERTIFICATES.

(a) Covenants. The Issuer covenants to take any action necessary to assure, or refrain from any action that would adversely affect, the treatment of the Certificates as obligations described in section 103 of the Code, the interest on which is not includable in the “gross income” of the holder for purposes of federal income taxation. In furtherance thereof, the Issuer covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Certificates (less amounts deposited to a reserve fund, if any) are used for any “private business use,” as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the Issuer, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Certificates, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the “private business use” described in subsection (1) hereof exceeds 5 percent (5%) of the proceeds of the Certificates or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent (5%) is used for a “private business use” that is “related” and not “disproportionate,” within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount that is greater than the lesser of \$5,000,000, or 5 percent (5%) of the proceeds of the Certificates (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action that would otherwise result in the Certificates being treated as “private activity bonds” within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Certificates being “federally guaranteed” within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Certificates, directly or indirectly, to acquire or to replace funds that were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) that produces a materially higher yield over the term of the Certificates, other than investment property acquired with –

(A) proceeds of the Certificates invested for a reasonable temporary period until such proceeds are needed for the purpose for which the bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent (10%) of the proceeds of the Certificates;

(7) to otherwise restrict the use of the proceeds of the Certificates or amounts treated as proceeds of the Certificates, as may be necessary, so that the Certificates do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(8) to refrain from using proceeds of the Certificates or the proceeds of any prior bonds to pay debt services on another issue more than ninety (90) days after the issuance of the Certificates in contravention of section 149(d) of the Code (relating to advance refundings);

(9) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Certificates) an amount that is at least equal to 90 percent of the “Excess Earnings,” within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than sixty (60) days after the Certificates have been paid in full, 100 percent (100%) of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code;

(10) to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month after the close of the calendar quarter in which the Certificates are issued, an information statement concerning the Certificates, all under and in accordance with section 149(e) of the Code and the applicable Treasury Regulations promulgated thereunder; and

(11) to assure that the proceeds of the Certificates will be used solely for new money projects.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (a)(9), a “Rebate Fund” is hereby established by the Issuer for the sole benefit of the United States of America, and such Fund shall not be subject to the claim of any other person, including without limitation the certificateholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Use of Proceeds. For purposes of the foregoing covenants (a)(1) and (a)(2), the Issuer understands that the term “proceeds” includes “disposition proceeds” as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Certificates. It is the understanding of the Issuer that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated that modify or expand provisions of the Code, as applicable to the Certificates, the Issuer will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Certificates under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated that impose additional requirements applicable to the Certificates, the Issuer agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Certificates under section 103 of the Code. In furtherance of such intention, the Issuer hereby authorizes and directs the Mayor, the City Manager, City Attorney, the Finance Director of the Issuer or any other officer or agent of the Issuer to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the Issuer, that may be permitted by the Code as are consistent with the purpose for the issuance of the Certificates.

(d) Allocation of, and Limitation on, Expenditures for the Project. The Issuer covenants to account for the expenditure of sale proceeds and investment earnings to be used for the construction and acquisition of the Project on its books and records by allocating proceeds to expenditures within eighteen (18) months of the later of the date that (1) the expenditure is made, or (2) the Project is completed. The foregoing notwithstanding, the Issuer shall not expend proceeds of the sale of the Certificates or investment earnings thereon more than sixty (60) days after the earlier of (1) the fifth anniversary of the delivery of the Certificates, or (2) the date the Certificates are retired, unless the Issuer obtains an opinion of nationally-

recognized bond counsel that such expenditure will not adversely affect the status, for federal income tax purposes, of the Certificates or the interest thereon. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Disposition of Project. The Issuer covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the Issuer of cash or other compensation, unless any action taken in connection with such disposition will not adversely affect the tax-exempt status of the Certificates. For purpose of the foregoing, the Issuer may rely on an opinion of nationally-recognized bond counsel that the action taken in connection with such sale or other disposition will not adversely affect the tax-exempt status of the Certificates. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

Section 10. SALE OF CERTIFICATES AND APPROVAL OF OFFICIAL STATEMENT; FURTHER PROCEDURES.

(a) The Certificates are hereby sold and shall be delivered to BOK Financial Securities, Inc. and FHN Financial Capital Markets (together, the “Underwriters”), for the purchase price of \$[] (representing the par amount of the Certificates of \$[], plus [net] original issue premium of \$[] (premium to be applied as set forth in Section 16) and less an underwriters’ discount of \$[]) pursuant to the terms and provisions of a Purchase Agreement with the Underwriters (the “Purchase Agreement”). It is hereby officially found, determined, and declared that the Certificates have been sold pursuant to the terms and provisions of the Purchase Agreement in substantially the form presented at this meeting, which the Mayor of the Issuer (or in the Mayor’s absence, by the Mayor Pro Tem) is hereby authorized and directed to execute. It is hereby officially found, determined, and declared that the terms of this sale are the most advantageous reasonably obtainable. The initial Certificate shall be registered in the name of representative of the Underwriters or its designee.

(b) The Issuer hereby approves the form and content of the Official Statement relating to the Certificates and any addenda, supplement or amendment thereto, and approves the distribution of such Official Statement in the reoffering of the Certificates by the Underwriters in final form, with such changes therein or additions thereto as the officer executing the same may deem advisable, such determination to be conclusively evidenced by his execution thereof. The distribution and use of the Preliminary Official Statement relating to the Certificates, prior to the date hereof is hereby ratified and confirmed.

(c) The Mayor, City Manager, City Secretary and Finance Director, and any other authorized officers or agents of the Issuer, and each of them, shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name of the Issuer all other such documents, certificates and instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the Certificates, the sale of the Certificates and the Official Statement. In case any officer whose signature shall appear on any Certificate shall cease to be such officer before the delivery of such Certificate, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

Section 11. INTEREST EARNINGS ON CERTIFICATE PROCEEDS. Interest earnings derived from the investment of proceeds from the sale of the Certificates shall be used along with other certificate proceeds for the Project; provided that after completion of such purpose, if any of such interest earnings

remain on hand, such interest earnings shall be deposited in the Interest and Sinking Fund. It is further provided, however, that any interest earnings on certificate proceeds that are required to be rebated to the United States of America pursuant to Section 9 hereof in order to prevent the Certificates from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this Section.

Section 12. CONSTRUCTION FUND.

(a) The Issuer hereby creates and establishes and shall maintain on the books of the Issuer a separate fund to be entitled the "Series 2025 Combination Tax and Revenue Certificates of Obligation Construction Fund" (the "Construction Fund") for use by the Issuer for payment of all lawful costs associated with the acquisition and construction of the Project as hereinbefore provided. Upon payment of all such costs, any moneys remaining on deposit in the Construction Fund shall be transferred to the Interest and Sinking Fund. Amounts so deposited to the Interest and Sinking Fund shall be used in the manner described in Section 5 of this Ordinance.

(b) The Issuer may invest proceeds of the Certificates (including investment earnings thereon) and amounts deposited into the Interest and Sinking Fund in investments authorized by the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended; provided, however, that the Issuer hereby covenants that the proceeds of the sale of the Certificates will be used as soon as practicable for the purposes for which the Certificates are issued.

(c) All deposits authorized or required by this Ordinance shall be secured to the fullest extent required by law for the security of public funds.

Section 13. COMPLIANCE WITH RULE 15c2-12.

(a) Definitions. As used in this Section, the following terms have the meanings ascribed to such terms below:

"MSRB" means the Municipal Securities Rulemaking Board.

"Rule" means SEC Rule 15c2-12, as amended from time to time.

"SEC" means the United States Securities and Exchange Commission.

(b) Annual Reports.

(i) The Issuer shall provide annually to the MSRB, in an electronic format as prescribed by the MSRB, within six (6) months after the end of each fiscal year ending in or after 2025, financial information and operating data with respect to the Issuer of the general type included in the final Official Statement authorized by this Ordinance, being the information described in Exhibit A hereto. The Issuer will additionally provide audited financial statements when and if available, and in any event, within twelve (12) months after the end of each fiscal year ending in or after 2025. If the audit of such financial statements is not complete within twelve (12) months after any such fiscal year end, then the Issuer will file unaudited financial statements within such twelve (12) month period and audited financial statements for the applicable fiscal year, when and if the audit report on such statements becomes available. Any financial statements so to be provided shall be prepared in accordance with the accounting principles described in Appendix B to the Official Statement, or such other accounting principles as the Issuer may be required to employ from time to time pursuant to state law or regulation.

(ii) If the Issuer changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the Issuer otherwise would be required to provide

financial information and operating data pursuant to this Section. The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document that is available to the public on the MSRB's internet website or filed with the SEC. All documents provided to the MSRB pursuant to this Section shall be accompanied by identifying information as prescribed by the MSRB.

(c) Event Notices.

(i) The Issuer shall notify the MSRB in an electronic format as prescribed by the MSRB, in a timely manner (but not in excess of ten (10) business days after the occurrence of the event) of any of the following events with respect to the Certificates:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Certificates, or other material events affecting the tax status of the Certificates;
7. Modifications to rights of holders of the Certificates, if material;
8. Certificate calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Certificates, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership or similar event of the Issuer;
13. The consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
14. Appointment of a successor trustee or change in the name of the trustee, if material;
15. Incurrence of a financial obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of any such financial obligation of the Issuer, any of which affect security holders, if material; and
16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of any such financial obligation of the Issuer, any of which reflect financial difficulties.

As used in clause 12 above, the phrase “bankruptcy, insolvency, receivership or similar event” means the appointment of a receiver, fiscal agent or similar officer for the Issuer in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets of the Issuer, or if jurisdiction has been assumed by leaving the existing City Council and officials or officers of the Issuer in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer. For the purposes of the above describe event notices 15 and 16, the term “financial obligation” means a (i) debt obligation, (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an

existing or planned debt obligation, or (iii) a guarantee of (i) or (ii); provided however, that a “financial obligation” shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

(ii) The Issuer shall notify the MSRB, in a timely manner, of any failure by the Issuer to provide financial information or operating data in accordance with subsection (b) of this Section by the time required by such subsection.

(d) Limitations, Disclaimers, and Amendments.

(i) The Issuer shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the Issuer remains an “obligated person” with respect to the Certificates within the meaning of the Rule, except that the Issuer in any event will give notice of any deposit made in accordance with this Ordinance or applicable law that causes Certificates no longer to be outstanding.

(ii) The provisions of this Section are for the sole benefit of the registered owners and beneficial owners of the Certificates, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Issuer undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Issuer’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Issuer does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Certificates at any future date.

(iii) UNDER NO CIRCUMSTANCES SHALL THE ISSUER BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY CERTIFICATE OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(iv) No default by the Issuer in observing or performing its obligations under this Section shall comprise a breach of or default under this Ordinance for purposes of any other provision of this Ordinance. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Issuer under federal and state securities laws.

(v) Should the Rule be amended to obligate the Issuer to make filings with or provide notices to entities other than the MSRB, the Issuer hereby agrees to undertake such obligation with respect to the Certificates in accordance with the Rule as amended. The provisions of this Section may be amended by the Issuer from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Issuer, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Certificates in the primary offering of the Certificates in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision

of this Ordinance that authorizes such an amendment) of the outstanding Certificates consent to such amendment or (b) a qualified person that is unaffiliated with the Issuer (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the registered owners and beneficial owners of the Certificates. The Issuer may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Certificates in the primary offering of the Certificates. If the Issuer so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided.

Section 14. METHOD OF AMENDMENT. The Issuer hereby reserves the right to amend this Ordinance subject to the following terms and conditions, to-wit:

(a) The Issuer may from time to time, without the consent of any holder, except as otherwise required by paragraph (b) below, amend or supplement this Ordinance in order to (i) cure any ambiguity, defect or omission in this Ordinance that does not materially adversely affect the interests of the holders, (ii) grant additional rights or security for the benefit of the holders, (iii) add events of default as shall not be inconsistent with the provisions of this Ordinance and that shall not materially adversely affect the interests of the holders, (iv) qualify this Ordinance under the Trust Indenture Act of 1939, as amended, or corresponding provisions of federal laws from time to time in effect, or (v) make such other provisions in regard to matters or questions arising under this Ordinance as shall not be inconsistent with the provisions of this Ordinance and that shall not in the opinion of the Issuer's Bond Counsel materially adversely affect the interests of the holders.

(b) Except as provided in paragraph (a) above, the holders of Certificates aggregating in principal amount 51% of the aggregate principal amount of then outstanding Certificates that are the subject of a proposed amendment shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the Issuer; provided, however, that without the consent of 100% of the holders in aggregate principal amount of the then outstanding Certificates, nothing herein contained shall permit or be construed to permit amendment of the terms and conditions of this Ordinance or in any of the Certificates so as to:

- (1) Make any change in the maturity of any of the outstanding Certificates;
- (2) Reduce the rate of interest borne by any of the outstanding Certificates;
- (3) Reduce the amount of the principal of, or redemption premium, if any, payable on any outstanding Certificates;
- (4) Modify the terms of payment of principal or of interest or redemption premium on outstanding Certificates or any of them or impose any condition with respect to such payment; or
- (5) Change the minimum percentage of the principal amount of any series of Certificates necessary for consent to such amendment.

(c) If at any time the Issuer shall desire to amend this Ordinance under this Section, the Issuer shall send by U.S. mail to each registered owner of the affected Certificates a copy of the proposed amendment. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the office of the Issuer for inspection by all holders of such Certificates.

(d) Whenever at any time within one year from the date of mailing of such notice the Issuer shall receive an instrument or instruments executed by the holders of at least 51% in aggregate principal amount

of all of the Certificates then outstanding that are required for the amendment, which instrument or instruments shall refer to the proposed amendment and shall specifically consent to and approve such amendment, the Issuer may adopt the amendment in substantially the same form.

(e) Upon the adoption of any amendatory Ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be modified and amended in accordance with such amendatory Ordinance, and the respective rights, duties, and obligations of the Issuer and all holders of such affected Certificates shall thereafter be determined, exercised, and enforced, subject in all respects to such amendment.

(f) Any consent given by the holder of a Certificate pursuant to the provisions of this Section shall be irrevocable for a period of six (6) months from the date of such consent, and shall be conclusive and binding upon all future holders of the same Certificate during such period. Such consent may be revoked at any time after six (6) months from the date of such consent by the holder who gave such consent, or by a successor in title, by filing notice with the Issuer, but such revocation shall not be effective if the holders of 51% in aggregate principal amount of the affected Certificates then outstanding, have, prior to the attempted revocation, consented to and approved the amendment.

(g) For the purposes of establishing ownership of the Certificates, the Issuer shall rely solely upon the registration of the ownership of such Certificates on the registration books kept by the Paying Agent/Registrar.

Section 15. DEFAULT AND REMEDIES

(a) Events of Default. Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an Event of Default:

(i) the failure to make payment of the principal of or interest on any of the Certificates when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the Issuer, the failure to perform which materially, adversely affects the rights of the registered owners of the Certificates, including, but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of sixty (60) days after notice of such default is given by any Registered Owner to the Issuer.

(b) Remedies for Default.

(i) Upon the happening of any Event of Default, then and in every case, any Registered Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the Issuer for the purpose of protecting and enforcing the rights of the Registered Owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Registered Owners hereunder or any combination of such remedies.

(ii) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Registered Owners of Certificates then outstanding.

(c) Remedies Not Exclusive.

(i) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Certificates or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Certificates shall not be available as a remedy under this Ordinance.

(ii) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(iii) By accepting the delivery of a Certificate authorized under this Ordinance, such Registered Owner agrees that the certifications required to effectuate any covenants or representations contained in this Ordinance do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers or employees of the Issuer or the City Council.

Section 16. PREMIUM. The Certificates are being sold at a [net] reoffering premium equal to \$[]. With respect to such premium, \$[] shall be used to pay costs of issuance, \$[] shall be used to pay underwriters' discount and \$[] shall be deposited into the Construction Fund.

Section 17. APPROPRIATION. To pay the debt service coming due on the Certificates prior to receipt of the taxes levied to pay such debt service, if any, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

Section 18. NO PERSONAL LIABILITY. No recourse shall be had for payment of the principal of or interest on any Certificates or for any claim based thereon, or on this Ordinance, against any official or employee of the Issuer or any person executing any Certificate.

Section 19. EFFECTIVE DATE. In accordance with the provisions of Government Code, Section 1201.028, this Ordinance shall be effective immediately upon its adoption by the City Council.

Section 20. SEVERABILITY. If any section, article, paragraph, sentence, clause, phrase or word in this Ordinance, or application thereof to any persons or circumstances is held invalid or unconstitutional by a court of competent jurisdiction, such holding shall not affect the validity of the remaining portion of this Ordinance, despite such invalidity, which remaining portions shall remain in full force and effect.

Section 3. CHARACTERISTICS OF THE BONDS.

(a) Appointment of Paying Agent/Registrar. The Issuer hereby appoints BOKF, NA, Dallas, Texas paying agent and registrar for the Bonds (the “Paying Agent/Registrar”). The Mayor or City Manager is authorized and directed to execute and deliver in the name and on behalf of the Issuer a Paying Agent/Registrar Agreement with the Paying Agent/Registrar.

(b) Registration, Transfer, Conversion and Exchange. The Issuer shall keep or cause to be kept at the corporate trust office of the Paying Agent/Registrar books or records for the registration of the transfer,

conversion and exchange of the Bonds (the "Registration Books"), and the Issuer hereby appoints the Paying Agent/Registrar as its registrar and transfer agent to keep such books or records and make such registrations of transfers, conversions and exchanges under such reasonable regulations as the Issuer and Paying Agent/Registrar may prescribe; and the Paying Agent/Registrar shall make such registrations, transfers, conversions and exchanges as herein provided within three days of presentation in due and proper form. The Paying Agent/Registrar shall obtain and record in the Registration Books the address of the registered owner of each Bond to which payments with respect to the Bonds shall be mailed, as herein provided; but it shall be the duty of each registered owner to notify the Paying Agent/Registrar in writing of the address to which payments shall be mailed, and such interest payments shall not be mailed unless such notice has been given. The Issuer shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. The Issuer shall pay the Paying Agent/Registrar's standard or customary fees and charges for making such registration, transfer, conversion, exchange and delivery of a substitute Bond or Bonds. Registration of assignments, transfers, conversions and exchanges of Bonds shall be made in the manner provided and with the effect stated in the FORM OF BOND set forth in this Ordinance. Each substitute Bond shall bear a letter and/or number to distinguish it from each other Bond.

(c) Authentication. Except as provided in subsection (j) of this section, an authorized representative of the Paying Agent/Registrar shall, before the delivery of any such Bond, date and manually sign said Bond, and no such Bond shall be deemed to be issued or outstanding unless such Bond is so executed. The Paying Agent/Registrar promptly shall cancel all paid Bonds and Bonds surrendered for conversion and exchange. No additional ordinances, orders or resolutions need be passed or adopted by the governing body of the Issuer or any other body or person so as to accomplish the foregoing conversion and exchange of any Bond or portion thereof, and the Paying Agent/Registrar shall provide for the printing, execution and delivery of the substitute Bonds in the manner prescribed herein. Pursuant to Subchapter D, Chapter 1201, Texas Government Code, the duty of conversion and exchange of Bonds as aforesaid is hereby imposed upon the Paying Agent/Registrar, and, upon the execution of said Bond, the converted and exchanged Bond shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Bonds which initially were issued and delivered pursuant to this Ordinance, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

(d) Payment of Principal and Interest. The Issuer hereby further appoints the Paying Agent/Registrar to act as the paying agent for paying the principal of and interest on the Bonds, all as provided in this Ordinance. The Paying Agent/Registrar shall keep proper records of all payments made by the Issuer and the Paying Agent/Registrar with respect to the Bonds, and of all conversions and exchanges of Bonds, and all replacements of Bonds, as provided in this Ordinance. However, in the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each registered owner appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

(e) Payment to Registered Owner. Notwithstanding any other provision of this Ordinance to the contrary, the Issuer and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Registration Books as the absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of registering

transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the registered owners, as shown in the Registration Books as provided in this Ordinance, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the Issuer's obligations with respect to payment of principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner, as shown in the Registration Books, shall receive a Bond certificate evidencing the obligation of the Issuer to make payments of principal and interest pursuant to this Ordinance.

(f) Paying Agent/Registrar. The Issuer covenants with the registered owners of the Bonds that at all times while the Bonds are outstanding the Issuer will provide a competent and legally qualified bank, trust company, financial institution or other agency to act as and perform the services of Paying Agent/Registrar for the Bonds under this Ordinance, and that the Paying Agent/Registrar will be one entity. By accepting the position and performing as such, each Paying Agent/Registrar shall be deemed to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

(g) Substitute Paying Agent/Registrar. The Issuer reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than one hundred-twenty (120) days written notice to the Paying Agent/Registrar, to be effective not later than sixty (60) days prior to the next principal or interest payment date after such notice. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise cease to act as such, the Issuer covenants that promptly it will appoint a competent and legally qualified bank, trust company, financial institution, or other agency to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy thereof), along with all other pertinent books and records relating to the Bonds, to the new Paying Agent/Registrar designated and appointed by the Issuer. Upon any change in the Paying Agent/Registrar, the Issuer promptly will cause a written notice thereof to be sent by the new Paying Agent/Registrar to each registered owner of the Bonds, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar.

(h) Book-Entry Only System. The Bonds issued in exchange for the Bonds initially issued to the purchaser or purchasers specified herein shall be initially issued in the form of a separate single fully registered Bond for each of the maturities thereof and the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), and except as provided in subsections (j) and (k) of this Section, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(i) Blanket Letter of Representations. The previous execution and delivery of the Blanket Letter of Representations with respect to obligations of the Issuer is hereby ratified and confirmed; and the provisions thereof shall be fully applicable to the Bonds. Notwithstanding anything to the contrary contained herein, while the Bonds are subject to DTC's Book-Entry Only System and to the extent permitted by law, the Letter of Representations is hereby incorporated herein and its provisions shall prevail over any other provisions of this Ordinance in the event of conflict.

(j) Bonds Registered in the Name of Cede & Co. With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the Issuer and the Paying Agent/Registrar shall have no responsibility or obligation to any securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations on whose behalf DTC was created ("DTC Participant") to hold securities to facilitate the clearance and settlement of securities transactions among DTC Participants or to any person on behalf

of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the Issuer and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of Bonds, as shown on the Registration Books, of any notice with respect to the Bonds, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of Bonds, as shown in the Registration Books of any amount with respect to principal of or interest on the Bonds. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Ordinance with respect to interest checks being mailed to the registered owner at the close of business on the Record date, the words "Cede & Co." in this Ordinance shall refer to such new nominee of DTC.

(k) Successor Securities Depository; Transfers Outside Book-Entry Only System. In the event that the Issuer determines that DTC is incapable of discharging its responsibilities described herein and in the representation letter of the Issuer to DTC or that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Issuer shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Registration Books in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names registered owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Ordinance.

(l) Payments to Cede & Co. Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the representation letter of the Issuer to DTC.

(m) General Characteristics of the Bonds. The Bonds (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on such Bonds to be payable only to the Registered Owners thereof, (ii) may and shall be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be converted and exchanged for other Bonds, (v) shall have the characteristics, (vi) shall be signed, sealed, executed and authenticated, (vii) the principal of and interest on the Bonds shall be payable, and (viii) shall be administered and the Paying Agent/Registrar and the Issuer shall have certain duties and responsibilities with respect to the Bonds, all as provided, and in the manner and to the effect as required or indicated, in the FORM OF BOND set forth in this Ordinance. The Bond initially issued and delivered pursuant to this Ordinance is not required to be, and shall not be, authenticated by the Paying Agent/Registrar, but on each substitute Bond issued in conversion of and exchange for any Bond or Bonds issued under this Ordinance the Paying Agent/Registrar shall execute the Paying Agent/registrar's Authentication Bond, in the FORM OF BOND set forth in this Ordinance.

(n) Cancellation of Initial Bond. On the closing date, one initial Bond representing the entire principal amount of the Bonds, payable in stated installments to the order of the initial purchaser of the Bonds or its designee, executed by manual or facsimile signature of the Mayor and City Secretary, approved by the Attorney General of Texas, and registered and manually signed by the Comptroller of Public Accounts of the State of Texas, will be delivered to such purchaser or its designee. Upon payment for the initial Bond, the Paying Agent/Registrar cancel the initial Bond and deliver to DTC on behalf of such

purchaser one registered definitive Bond for each year of maturity of the Bonds, in the aggregate principal amount of all of the Bonds for such maturity, registered in the name of Cede & Co., as nominee of DTC. To the extent that the Paying Agent/Registrar is eligible to participate in DTC's FAST System, pursuant to an agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

Section 4. FORM OF BONDS. The form of the Bonds, including the form of Paying Agent/Registrar's Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas to be attached to the Bonds initially issued and delivered pursuant to this Ordinance, shall be, respectively, substantially as follows, with such appropriate variations, omissions or insertions as are permitted or required by this Ordinance.

by the Paying Agent/Registrar to the registered owner hereof on each interest payment date by check or draft, dated as of such interest payment date, drawn by the Paying Agent/Registrar on, and payable solely from, funds of the Issuer required by the ordinance authorizing the issuance of this Bond (the "Bond Ordinance") to be on deposit with the Paying Agent/Registrar for such purpose as hereinafter provided; and such check or draft shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, on each such interest payment date, to the registered owner hereof, at its address as it appeared at the close of business on the 15th calendar day of the month preceding each such interest payment date, regardless of whether such day is business day (the "Record Date") on the Registration Books kept by the Paying Agent/Registrar, as hereinafter described. In addition, interest may be paid by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. In the event of a non-payment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each owner of a Bond appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

ANY ACCRUED INTEREST due at maturity or upon the redemption of this Bond prior to maturity as provided herein shall be paid to the registered owner upon presentation and surrender of this Bond for payment or redemption at the principal corporate trust office of the Paying Agent/Registrar. The Issuer covenants with the registered owner of this Bond that on or before each principal payment date and interest payment date for this Bond it will make available to the Paying Agent/Registrar, from the "Interest and Sinking Fund" created by the Bond Ordinance, the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due.

IF THE DATE for any payment of the principal of or interest on this Bond shall be a Saturday, Sunday, a legal holiday or a day on which banking institutions in the city where the principal corporate trust office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day that is not such a Saturday, Sunday, legal holiday or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is one of a series of Bonds dated August 1, 2025, authorized in accordance with the Constitution and laws of the State of Texas in the principal amount of \$[] for the public purpose of providing funds for refunding certain outstanding obligations of the Issuer; and to pay the costs incurred in connection with the issuance of the Bonds.

ON JULY 1, 2034, OR ON ANY DATE THEREAFTER, the Bonds of this series may be redeemed prior to their scheduled maturities, at the option of the Issuer, with funds derived from any available and lawful source, as a whole, or in part, and, if in part, the particular Bonds, or portions thereof, to be redeemed shall be selected and designated by the Issuer (provided that a portion of a Bond may be redeemed only in an integral multiple of \$5,000), at a redemption price equal to the principal amount to be redeemed plus accrued interest to the date fixed for redemption.

WITH RESPECT TO ANY OPTIONAL REDEMPTION OF THE BONDS, unless certain prerequisites to such redemption required by this Ordinance have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said

redemption may, at the option of the Issuer, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a notice of conditional redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the Issuer shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

AT LEAST THIRTY (30) days prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, at least thirty (30) days prior to the date fixed for any such redemption, to the registered owner of each Bond to be redeemed at its address as it appeared on the 45th day prior to such redemption date; provided, however, that the failure of the registered owner to receive such notice, or any defect therein or in the sending or mailing thereof, shall not affect the validity or effectiveness of the proceedings for the redemption of any Bond. By the date fixed for any such redemption due provision shall be made with the Paying Agent/Registrar for the payment of the required redemption price for the Bonds or portions thereof that are to be so redeemed. If such written notice of redemption is sent and if due provision for such payment is made, all as provided above, the Bonds or portions thereof that are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the registered owner to receive the redemption price from the Paying Agent/Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any denomination or denominations in any integral multiple of \$5,000, at the written request of the registered owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the registered owner upon the surrender thereof for cancellation, at the expense of the Issuer, all as provided in the Bond Ordinance.

ALL BONDS OF THIS SERIES are issuable solely as fully registered bonds, without interest coupons, in the denomination of any integral multiple of \$5,000. As provided in the Bond Ordinance, this Bond may, at the request of the registered owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate principal amount of fully registered Bonds, without interest coupons, payable to the appropriate registered owner, assignee or assignees, as the case may be, having the same denomination or denominations in any integral multiple of \$5,000 as requested in writing by the appropriate registered owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Ordinance. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Paying Agent/Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Bond or any portion or portions hereof in any integral multiple of \$5,000 to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The form of Assignment printed or endorsed on this Bond may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the registered owner. The Paying Agent/Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the Issuer. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, conversion, or exchange (i) during the

period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date, or (ii) with respect to any Bond or any portion thereof called for redemption prior to maturity, within forty-five (45) days prior to its redemption date.

IN THE EVENT any Paying Agent/Registrar for the Bonds is changed by the Issuer, resigns, or otherwise ceases to act as such, the Issuer has covenanted in the Bond Ordinance that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the registered owners of the Bonds.

IT IS HEREBY certified, recited and covenanted that this Bond has been duly and validly authorized, issued and delivered; that all acts, conditions and things required or proper to be performed, exist and be done precedent to or in the authorization, issuance and delivery of this Bond have been performed, existed and been done in accordance with law; and that annual ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Bond, as such interest comes due and such principal matures, have been levied and ordered to be levied against all taxable property in said Issuer, and have been pledged for such payment, within the limit prescribed by law.

THE ISSUER HAS RESERVED THE RIGHT to amend the Bond Ordinance as provided therein, and under some (but not all) circumstances amendments thereto must be approved by the registered owners of a majority in aggregate principal amount of the outstanding Bonds.

BY BECOMING the registered owner of this Bond, the registered owner thereby acknowledges all of the terms and provisions of the Bond Ordinance, agrees to be bound by such terms and provisions, acknowledges that the Bond Ordinance is duly recorded and available for inspection in the official minutes and records of the governing body of the Issuer, and agrees that the terms and provisions of this Bond and the Bond Ordinance constitute a contract between each registered owner hereof and the Issuer.

IN WITNESS WHEREOF, the Issuer has caused this Bond to be signed with the manual or facsimile signature of the Mayor of the Issuer (or in his absence, the Mayor Pro Tem) and countersigned with the manual or facsimile signature of the City Secretary of said Issuer, and has caused the official seal of the Issuer to be duly impressed, or placed in facsimile, on this Bond.

(e) Initial Bond Insertions.

(i) The initial Bond shall be in the form set forth in paragraph (a) of this Section, except that:

A. immediately under the name of the Bond, the headings "Interest Rate" and "Maturity Date" shall both be completed with the words "As shown below" and "CUSIP No. _____" shall be deleted.

B. the first paragraph shall be deleted and the following will be inserted:

"THE CITY OF HEWITT, TEXAS, in McLennan County, Texas (the "Issuer"), being a political subdivision and municipal corporation of the State of Texas, hereby promises to pay to the Registered Owner specified above, or registered assigns (hereinafter called the "Registered Owner"), on July 1 in each of the years, in the principal amounts and bearing interest at the per annum rates set forth in the following schedule:

<u>Years (7/1)</u>	<u>Principal Amounts (\$)</u>	<u>Interest Rates (%)</u>
--------------------	-------------------------------	---------------------------

(Information from Section 2 to be inserted)

The Issuer promises to pay interest on the unpaid principal amount hereof (calculated on the basis of a 360-day year of twelve 30-day months) from August 1, 2025, at the respective Interest Rate per annum specified above. Interest is payable on January 1, 2026 and semiannually on each July 1 and January 1 thereafter to the date of payment of the principal amount specified above, or the date of redemption prior to maturity; except, that if this Bond is required to be authenticated and the date of its authentication is later than the first Record Date (hereinafter defined), such Principal Amount shall bear interest from the interest payment date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following interest payment date, in which case such principal amount shall bear interest from such next following interest payment date; provided, however, that if on the date of authentication hereof the interest on the Bond or Bonds, if any, for which this Bond is being exchanged is due but has not been paid, then this Bond shall bear interest from the date to which such interest has been paid in full."

C. The Initial Bond shall be numbered "T-1."

Section 5. INTEREST AND SINKING FUND.

(a) A special "Interest and Sinking Fund" is hereby created and shall be established and maintained by the Issuer as a separate fund or account for the payment of the Bonds. Said Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of said Issuer, and shall be used only for paying the interest on and principal of said Bonds. All amounts received from the sale of the Bonds as accrued interest shall be deposited upon receipt to the Interest and Sinking Fund, and all ad valorem taxes levied and collected for and on account of said Bonds shall be deposited, as collected, to the credit of said Interest and Sinking Fund. During each year while any of said Bonds are outstanding and unpaid, the governing body of said Issuer shall compute and ascertain a rate and amount of ad valorem tax that will be sufficient to raise and produce the money required to pay the interest on said Bonds as such interest comes

due, and to provide and maintain a sinking fund adequate to pay the principal of said Bonds as such principal matures (but never less than 2% of the original amount of said Bonds as a sinking fund each year); and said tax shall be based on the latest approved tax rolls of said Issuer, with full allowances being made for tax delinquencies and the cost of tax collection. Said rate and amount of ad valorem tax is hereby levied, and is hereby ordered to be levied, against all taxable property in said Issuer, for each year while any of said Bonds are outstanding and unpaid, and said tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Interest and Sinking Fund. Said ad valorem taxes sufficient to provide for the payment of the interest on and principal of said Bonds, as such interest comes due and such principal matures, are hereby pledged for such payment, within the limit prescribed by law. Notwithstanding the requirements of this subsection, if lawfully available moneys of the Issuer are actually on deposit in the Interest and Sinking Fund in advance of the time when ad valorem taxes are scheduled to be levied for any year, then the amount of taxes that otherwise would have been required to be levied pursuant to this subsection may be reduced to the extent and by the amount of lawfully available funds then on deposit in the Interest and Sinking Fund.

(b) Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the taxes granted by the Issuer under this Section, and is therefore valid, effective, and perfected. Should Texas law be amended at any time while the Bonds are outstanding and unpaid, the result of such amendment being that the pledge of the taxes granted by the Issuer under this Section is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, in order to preserve to the registered owners of the Bonds a security interest in said pledge, the Issuer agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing of a security interest in said pledge to occur.

Section 6. DEFEASANCE OF BONDS.

(a) Any Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Bond") within the meaning of this Ordinance, except to the extent provided in subsection (d) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with an escrow agreement or other instrument (the "Future Escrow Agreement") for such payment (1) lawful money of the United States of America sufficient to make such payment or (2) Defeasance Securities that mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment, and when proper arrangements have been made by the Issuer with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable. At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied and pledged as provided in this Ordinance, and such principal and interest shall be payable solely from such money or Defeasance Securities, and thereafter the Issuer will have no further responsibility with respect to amounts available to such paying agent (or other financial institution permitted by applicable law) for the payment of such Defeased Bonds, including any insufficiency therein caused by the failure of such paying agent (or other financial institution permitted by applicable law) to receive payment when due on the Defeasance Securities. Notwithstanding any other provision of this Ordinance to the contrary, it is hereby provided that any determination not to redeem Defeased Bonds that is made in conjunction with the payment arrangements specified in subsection (a)(i) or (ii) of this Section shall not be irrevocable, provided that: (1) in the proceedings providing for such payment arrangements, the Issuer expressly reserves the right to call the Defeased Bonds for redemption; (2) gives notice of the reservation of that right to the owners of the Defeased Bonds immediately following

the making of the payment arrangements; and (3) directs that notice of the reservation be included in any redemption notices that it authorizes.

(b) Any moneys so deposited with the Paying Agent/Registrar may at the written direction of the Issuer be invested in Defeasance Securities, maturing in the amounts and times as hereinbefore set forth, and all income from such Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Bonds and interest thereon, with respect to which such money has been so deposited, shall be turned over to the Issuer, or deposited as directed in writing by the Issuer. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Bonds may contain provisions permitting the investment or reinvestment of such moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements specified in subsection (a)(i) or (ii) of this Section. All income from such Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Bonds, with respect to which such money has been so deposited, shall be remitted to the Issuer or deposited as directed in writing by the Issuer.

(c) The term “Defeasance Securities” means any securities and obligations now or hereafter authorized by law.

(d) Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the Issuer shall make proper arrangements to provide and pay for such services as required by this Ordinance.

(e) In the event that the Issuer elects to defease less than all of the principal amount of Bonds of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, such amount of Bonds by such random method as it deems fair and appropriate.

Section 7. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.

(a) Replacement Bonds. In the event any outstanding Bond is damaged, mutilated, lost, stolen or destroyed, the Paying Agent/Registrar shall cause to be printed, executed and delivered, a new Bond of the same principal amount, maturity and interest rate, as the damaged, mutilated, lost, stolen or destroyed Bond, in replacement for such Bond in the manner hereinafter provided.

(b) Application for Replacement Bonds. Application for replacement of damaged, mutilated, lost, stolen or destroyed Bonds shall be made by the registered owner thereof to the Paying Agent/Registrar. In every case of loss, theft or destruction of a Bond, the registered owner applying for a replacement Bond shall furnish to the Issuer and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft or destruction of a Bond, the registered owner shall furnish to the Issuer and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the registered owner shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated.

(c) No Default Occurred. Notwithstanding the foregoing provisions of this, in the event any such Bond shall have matured, and no default has occurred that is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the Issuer may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section.

(d) Charge for Issuing Replacement Bonds. Prior to the issuance of any replacement Bond, the Paying Agent/Registrar shall charge the registered owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement Bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen or destroyed shall constitute a contractual obligation of the Issuer whether or not the lost, stolen or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Bonds duly issued under this Ordinance.

(e) Authority for Issuing Replacement Bonds. In accordance with Section 1206.022, Texas Government Code, this Section of this Ordinance shall constitute authority for the issuance of any such replacement Bond without necessity of further action by the governing body of the Issuer or any other body or person, and the duty of the replacement of such Bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such Bonds in the form and manner and with the effect, as provided in Section 3(b) of this Ordinance for Bonds issued in conversion and exchange for other Bonds.

Section 8. CUSTODY, APPROVAL, AND REGISTRATION OF BONDS; BOND COUNSEL'S OPINION; CUSIP NUMBERS AND CONTINGENT INSURANCE PROVISION, IF OBTAINED; ENGAGEMENT OF BOND COUNSEL.

(a) The Mayor, the City Manager or the Finance Director of the Issuer is hereby authorized to have control of the Bonds initially issued and delivered hereunder and all necessary records and proceedings pertaining to the Bonds pending their delivery and their investigation, examination, and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Bonds said Comptroller of Public Accounts (or a deputy designated in writing to act for said Comptroller) shall manually sign the Comptroller's Registration Certificate attached to such Bonds, and the seal of said Comptroller shall be impressed, or placed in facsimile, on such Bond. The approving legal opinion of the Issuer's Bond Counsel and the assigned CUSIP numbers may, at the option of the Issuer, be printed on the Bonds issued and delivered under this Ordinance, but neither shall have any legal effect, and shall be solely for the convenience and information of the registered owners of the Bonds. In addition, if bond insurance is obtained, the Bonds may bear an appropriate legend as provided by the insurer.

(b) The obligation of the initial purchaser to accept delivery of each series of the Bonds is subject to the initial purchaser being furnished with the final, approving opinion of McCall, Parkhurst & Horton L.L.P., bond counsel to the Issuer, which opinion shall be dated as of and delivered on the date of initial delivery of the Bonds to the initial purchaser. The engagement of such firm as bond counsel to the Issuer in connection with issuance, sale and delivery of the Bonds is hereby approved and confirmed.

Section 9. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS.

(a) Covenants. The Issuer covenants to take any action necessary to assure, or refrain from any action that would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Internal Revenue Code of 1986 (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the Issuer covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in

section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the Issuer, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the “private business use” described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed or refinanced therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a “private business use” that is “related” and not “disproportionate,” within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount that is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action that would otherwise result in the Bonds being treated as “private activity bonds” within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being “federally guaranteed” within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds that were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) that produces a materially higher yield over the term of the Bonds, other than investment property acquired with –

(A) proceeds of the Bonds invested for a reasonable temporary period until such proceeds are needed for the purpose for which the Bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage); and

(8) to refrain from using the proceeds of the Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of the requirements of section 149(d) of the Code (relating to advance refundings); and

(9) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the “Excess Earnings,” within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code; and

(b) Rebate Fund. In order to facilitate compliance with the above covenant (a)(9), a “Rebate Fund” is hereby established by the Issuer for the sole benefit of the United States of America, and such Fund shall not be subject to the claim of any other person, including without limitation the Bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Use of Proceeds. For purposes of the foregoing covenants (a)(1) and (a)(2), the Issuer understands that the term “proceeds” includes “disposition proceeds” as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the Refunded Obligations expended prior to the date of issuance of the Bonds. It is the understanding of the Issuer that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated that modify or expand provisions of the Code, as applicable to the Bonds, the Issuer will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated that impose additional requirements applicable to the Bonds, the Issuer agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the Issuer hereby authorizes and directs the Mayor, the City Manager or the Finance Director to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the Issuer, that may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(d) Disposition of Projects. The Issuer covenants that the property constituting the projects financed or refinanced with the proceeds of the Bonds will not be sold or otherwise disposed in a transaction resulting in the receipt by the Issuer of cash or other compensation, unless any action taken in connection with such disposition will not adversely affect the tax-exempt status of the Bonds. For purpose of the foregoing, the Issuer may rely on an opinion of nationally-recognized bond counsel that the action taken in connection with such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the Issuer shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

Section 10. SALE OF BONDS AND APPROVAL OF OFFICIAL STATEMENT; FURTHER PROCEDURES.

(a) The Bonds are hereby sold and shall be delivered to BOK Financial Securities Inc. as representative of itself and FHN Financial Capital Markets (together, the “Underwriters”), for the purchase price of \$[] (representing the par amount of the Bonds of \$[] plus a [net] original issue premium of \$[] and less an Underwriters’ discount of \$[]) pursuant to the terms and provisions of a purchase contract or agreement with the Underwriters (the “Purchase Agreement”). It is hereby officially found, determined, and declared that the Bonds have been sold pursuant to the terms and provisions of the Purchase Agreement, which the Mayor of the Issuer is hereby authorized and directed to execute. It is hereby officially found, determined, and declared that the terms of this sale are the most advantageous reasonably obtainable. The initial Bond shall be registered in the name of Underwriters.

(b) The Issuer hereby approves the form and content of the Official Statement relating to the Bonds and any addenda, supplement or amendment thereto, and approves the distribution of such Official Statement in the reoffering of the Bonds by the Underwriters in final form, with such changes therein or additions thereto as the officer executing the same may deem advisable, such determination to be conclusively evidenced by his execution thereof. The distribution and use of the Preliminary Official Statement, prior to the date hereof is hereby ratified and confirmed.

(c) The Mayor, City Manager, City Secretary and Finance Director, and each of them, shall be and they are hereby expressly authorized, empowered and directed from time to time and at any time to do and perform all such acts and things and to execute, acknowledge and deliver in the name of the Issuer all other such documents, certificates and instruments, whether or not herein mentioned, as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the Bonds, the sale of the Bonds and the Official Statement. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery.

Section 11. COMPLIANCE WITH RULE 15c2-12.

(a) Definitions. As used in this Section, the following terms have the meanings ascribed to such terms below:

“MSRB” means the Municipal Securities Rulemaking Board.

“Rule” means SEC Rule 15c2-12, as amended from time to time.

“SEC” means the United States Securities and Exchange Commission.

(b) Annual Reports.

(i) The Issuer shall provide annually to the MSRB, in an electronic format as prescribed by the MSRB, within six (6) months after the end of each fiscal year ending in or after 2025, financial information and operating data with respect to the Issuer of the general type included in the final Official Statement authorized by Section 10 of this Ordinance, being the information set forth in Exhibit A. The Issuer will additionally provide audited financial statements when and if available, and in any event, within twelve (12) months after the end of each fiscal year ending in or after 2025. If the audit of such financial statements is not complete within twelve (12) months after any such fiscal year end, then the Issuer will file unaudited financial statements within such twelve (12) month period and audited financial statements for the applicable fiscal year, when and if the audit report on such statements becomes available. Any financial statements so to be provided shall be prepared in accordance with the accounting principles described in Appendix B to the Official Statement, or such other accounting principles as the Issuer may be required to employ from time to time pursuant to state law or regulation.

(ii) If the Issuer changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) prior to the next date by which the Issuer otherwise would be required to provide financial information and operating data pursuant to this Section. The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document that is available to the public on the MSRB’s internet website or filed with the SEC.

All documents provided to the MSRB pursuant to this Section shall be accompanied by identifying information as prescribed by the MSRB.

(c) Event Notices.

(i) The Issuer shall notify the MSRB in an electronic format as prescribed by the MSRB, in a timely manner (but not in excess of ten (10) business days after the occurrence of the event) of any of the following events with respect to the Bonds:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults, if material;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
7. Modifications to rights of holders of the Bonds, if material;
8. Bond calls, if material, and tender offers;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Bonds, if material;
11. Rating changes;
12. Bankruptcy, insolvency, receivership or similar event of the Issuer;
13. The consummation of a merger, consolidation, or acquisition involving the Issuer or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
14. Appointment of a successor trustee or change in the name of the trustee, if material;
15. Incurrence of a financial obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of any such financial obligation of the Issuer, any of which affect security holders, if material; and
16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of any such financial obligation of the Issuer, any of which reflect financial difficulties.

As used in clause 12 above, the phrase “bankruptcy, insolvency, receivership or similar event” means the appointment of a receiver, fiscal agent or similar officer for the Issuer in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets of the Issuer, or if jurisdiction has been assumed by leaving the existing City Council and officials or officers of the Issuer in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer. For the purposes of the above describe event notices 15 and 16, the term “financial obligation” means a (i) debt obligation, (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation, or (iii) a guarantee of (i) or (ii); provided however, that a

“financial obligation” shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

(ii) The Issuer shall notify the MSRB, in a timely manner, of any failure by the Issuer to provide financial information or operating data in accordance with subsection (b) of this Section by the time required by such subsection.

(d) Limitations, Disclaimers, and Amendments.

(i) The Issuer shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the Issuer remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the Issuer in any event will give notice of any deposit made in accordance with this Ordinance or applicable law that causes Bonds no longer to be outstanding.

(ii) The provisions of this Section are for the sole benefit of the registered owners and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The Issuer undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the Issuer’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The Issuer does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

(iii) UNDER NO CIRCUMSTANCES SHALL THE ISSUER BE LIABLE TO THE REGISTERED OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(iv) No default by the Issuer in observing or performing its obligations under this Section shall comprise a breach of or default under this Ordinance for purposes of any other provision of this Ordinance. Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the Issuer under federal and state securities laws.

(v) Should the Rule be amended to obligate the Issuer to make filings with or provide notices to entities other than the MSRB, the Issuer hereby agrees to undertake such obligation with respect to the Bonds in accordance with the Rule as amended. The provisions of this Section may be amended by the Issuer from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the Issuer, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the registered owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes such an amendment) of the outstanding Bonds consent to such

amendment or (b) a qualified person that is unaffiliated with the Issuer (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the registered owners and beneficial owners of the Bonds. The Issuer may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds. If the Issuer so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) of this Section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided.

Section 12. METHOD OF AMENDMENT. The Issuer hereby reserves the right to amend this Ordinance subject to the following terms and conditions, to-wit:

(a) The Issuer may from time to time, without the consent of any holder, except as otherwise required by paragraph (b) below, amend or supplement this Ordinance in order to (i) cure any ambiguity, defect or omission in this Ordinance that does not materially adversely affect the interests of the holders, (ii) grant additional rights or security for the benefit of the holders, (iii) add events of default as shall not be inconsistent with the provisions of this Ordinance and that shall not materially adversely affect the interests of the holders, (iv) qualify this Ordinance under the Trust Indenture Act of 1939, as amended, or corresponding provisions of federal laws from time to time in effect, or (v) make such other provisions in regard to matters or questions arising under this Ordinance as shall not be inconsistent with the provisions of this Ordinance and that shall not in the opinion of the Issuer's Bond Counsel materially adversely affect the interests of the holders.

(b) Except as provided in paragraph (a) above, the holders of Bonds aggregating in principal amount 51% of the aggregate principal amount of then outstanding Bonds that are the subject of a proposed amendment shall have the right from time to time to approve any amendment hereto that may be deemed necessary or desirable by the Issuer; provided, however, that without the consent of 100% of the holders in aggregate principal amount of the then outstanding Bonds, nothing herein contained shall permit or be construed to permit amendment of the terms and conditions of this Ordinance or in any of the Bonds so as to:

- (1) Make any change in the maturity of any of the outstanding Bonds;
- (2) Reduce the rate of interest borne by any of the outstanding Bonds;
- (3) Reduce the amount of the principal of, or redemption premium, if any, payable on any outstanding Bonds;
- (4) Modify the terms of payment of principal or of interest or redemption premium on outstanding Bonds or any of them or impose any condition with respect to such payment; or
- (5) Change the minimum percentage of the principal amount of any series of Bonds necessary for consent to such amendment.

(c) If at any time the Issuer shall desire to amend this Ordinance under this Section, the Issuer shall send by U.S. mail to each registered owner of the affected Bonds a copy of the proposed amendment. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the office of the Issuer for inspection by all holders of such Bonds.

(d) Whenever at any time within one year from the date of mailing of such notice the Issuer shall receive an instrument or instruments executed by the holders of at least 51% in aggregate principal amount of all of the Bonds then outstanding that are required for the amendment, which instrument or instruments

shall refer to the proposed amendment and shall specifically consent to and approve such amendment, the Issuer may adopt the amendment in substantially the same form.

(e) Upon the adoption of any amendatory Ordinance pursuant to the provisions of this Section, this Ordinance shall be deemed to be modified and amended in accordance with such amendatory Ordinance, and the respective rights, duties, and obligations of the Issuer and all holders of such affected Bonds shall thereafter be determined, exercised, and enforced, subject in all respects to such amendment.

(f) Any consent given by the holder of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six (6) months from the date of such consent, and shall be conclusive and binding upon all future holders of the same Bond during such period. Such consent may be revoked at any time after six (6) months from the date of such consent by the holder who gave such consent, or by a successor in title, by filing notice with the Issuer, but such revocation shall not be effective if the holders of 51% in aggregate principal amount of the affected Bonds then outstanding, have, prior to the attempted revocation, consented to and approved the amendment.

For the purposes of establishing ownership of the Bonds, the Issuer shall rely solely upon the registration of the ownership of such Bonds on the registration books kept by the Paying Agent/Registrar.

Section 13. DEFAULT AND REMEDIES.

(a) Events of Default. Each of the following occurrences or events for the purpose of this Ordinance is hereby declared to be an Event of Default:

(i) the failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable; or

(ii) default in the performance or observance of any other covenant, agreement or obligation of the Issuer, the failure to perform which materially, adversely affects the rights of the registered owners of the Bonds, including, but not limited to, their prospect or ability to be repaid in accordance with this Ordinance, and the continuation thereof for a period of sixty (60) days after notice of such default is given by any Registered Owner to the Issuer.

(b) Remedies for Default.

(i) Upon the happening of any Event of Default, then and in every case, any Registered Owner or an authorized representative thereof, including, but not limited to, a trustee or trustees therefor, may proceed against the Issuer for the purpose of protecting and enforcing the rights of the Registered Owners under this Ordinance, by mandamus or other suit, action or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief permitted by law, including the specific performance of any covenant or agreement contained herein, or thereby to enjoin any act or thing that may be unlawful or in violation of any right of the Registered Owners hereunder or any combination of such remedies.

(ii) It is provided that all such proceedings shall be instituted and maintained for the equal benefit of all Registered Owners of Bonds then outstanding.

(c) Remedies Not Exclusive.

(i) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or under the Bonds or now or hereafter existing at law or in equity; provided, however, that notwithstanding any other provision of this Ordinance, the right to accelerate the debt evidenced by the Bonds shall not be available as a remedy under this Ordinance.

(ii) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

(iii) By accepting the delivery of a Bond authorized under this Ordinance, such Registered Owner agrees that the certifications required to effectuate any covenants or representations contained in this Ordinance do not and shall never constitute or give rise to a personal or pecuniary liability or charge against the officers, employees or trustees of the Issuer or the City Council.

(iv) None of the members of the City Council, nor any other official or officer, agent, or employee of the Issuer, shall be charged personally by the registered owners with any liability, or be held personally liable to the registered owners under any term or provision of this Ordinance, or because of any Event of Default or alleged Event of Default under this Ordinance.

Section 14. APPROVAL OF ESCROW AGREEMENT AND TRANSFER OF FUNDS. The Mayor, the City Manager or the Finance Director are further authorized to enter into and execute on behalf of the Issuer, with BOKF, NA, Dallas, Texas (the "Escrow Agent"), an escrow or similar agreement (the "Escrow Agreement"), which agreement will provide for the payment in full of the Refunded Obligations identified in the Escrow Agreement. In addition, the Mayor, the City Manager or the Finance Director are further authorized to purchase Defeasance Securities, and to execute such subscriptions for the purchase of the Defeasance Securities, if any, and to authorize such contributions for the escrow fund as provided in the agreement.

Section 15. REDEMPTION OF REFUNDED OBLIGATIONS.

(a) Subject to execution and delivery of the Purchase Agreement with the Underwriters, the Issuer hereby directs that the Refunded Obligations be called for redemption on the dates and at such prices as set forth in the Escrow Agreement. The Mayor, the City Manager or the Finance Director are hereby authorized and directed to issue or cause to be issued the requisite notices of redemption and defeasance of the Refunded Obligations to the paying agent for the Refunded Obligations.

(b) In addition, the paying agent for the Refunded Obligations is hereby directed to provide the appropriate notices of redemption and defeasance as specified by the ordinances authorizing the issuance of Refunded Obligations and is hereby directed to make appropriate arrangements so that the Refunded Obligations may be redeemed on their redemption date. The Refunded Obligations shall be presented for redemption at the paying agents therefor, and shall not bear interest after the date fixed for redemption.

(c) If the redemption of the Refunded Obligations results in the partial refunding of any maturity of the Refunded Obligations, the paying agent/registrar for the Refunded Obligations is directed to designate at random and by lot which of the Refunded Obligations will be payable from and secured solely from ad valorem taxes of the Issuer pursuant to the ordinance of the Issuer authorizing the issuance of such Refunded Obligations (the "Refunded Bond Ordinance"). The paying agent/registrar shall notify by first-class mail all registered owners of all affected bonds of such maturities that: (i) a portion of such bonds have been refunded and are secured until final maturity solely with cash and investments maintained by the Escrow Agent in the Escrow Fund, (ii) the principal amount of all affected bonds of such maturities

registered in the name of such registered owner that have been refunded and are payable solely from cash and investments in the Escrow Fund and the remaining principal amount of all affected bonds of such maturities registered in the name of such registered owner, if any, have not been refunded and are payable and secured solely from ad valorem taxes of the Issuer described in the Refunded Obligation Ordinance, (iii) the registered owner is required to submit his or her Refunded Obligations to the paying agent/registrar, for the purposes of re-registering such registered owner's bonds and assigning new CUSIP numbers in order to distinguish the source of payment for the principal and interest on such bonds, and (iv) payment of principal of and interest on such bonds may, in some circumstances, be delayed until such bonds have been re-registered and new CUSIP numbers have been assigned as required by (iii) above.

(d) The source of funds for payment of the principal of and interest on the Refunded Obligations on their respective maturity or redemption dates shall be from the funds deposited with the Escrow Agent pursuant to the Escrow Agreement.

Section 16. APPROPRIATION. To pay the debt service coming due on the Bonds, if any, prior to receipt of the taxes levied to pay such debt service, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

Section 17. SEVERABILITY. If any section, article, paragraph, sentence, clause, phrase or word in this Ordinance, or application thereof to any persons or circumstances is held invalid or unconstitutional by a court of competent jurisdiction, such holding shall not affect the validity of the remaining portion of this Ordinance, despite such invalidity, which remaining portions shall remain in full force and effect.

Section 18. EFFECTIVE DATE. In accordance with the provisions of Texas Government Code, Section 1201.028, this Ordinance shall be effective immediately upon its adoption by the City Council.
