WORKSHOP ITEM #1. d

HEWITT TEXAS

MEMORANDUM

DATE: September 30, 2014
FROM: James Devlin, Police Chief
TO: Mayor and City Council
RE: Body Cameras for School Resource Officers

Digital Ally is currently the provider of all Police in car video for the Hewitt Police Department. Over the past two years, there had been strong development and implementation of "Body Cameras" for law enforcement officers across the nation. The Hewitt Police Department has been researching the issue for some time, but has never found a suitable solution due to separate operating systems. Our in car camera provider has developed a system that will simultaneously activate the in car camera as well as the attached body camera attached to the officer.

This system will provide officers and supervisors with dual records of contact on calls for service, provide a first person account of that contact, and provide redundancy if the officer is out of range of the in car camera. Additionally the body cameras will be assigned to our School Resource Officer Program, providing those officers with an accurate record of contacts and calls for service which currently they do not have.

The Hewitt Police Department is seeking to purchase eight (8) First VU Cameras, Docking station, and licensing software with current HPD asset forfeiture funds.

Approved: October 6, 2014

Lydia Lopez, City Secretary

Wilbert Wachtendorf, Mayor

ITEM #4 – HEARING OF VISITORS

CITIZEN PARTICIPATION AT MEETINGS

1. All citizens are encouraged to discuss matters of concern with the staff and individual council members prior to placing items on the agenda. Many times this will expedite a resolution or allow proper investigation of the matter for presentation to the entire council.

NO CITIZEN NOR STAFF MEMBER MAY SPEAK NOR OTHERWISE INTERRUPT ANY MEETING UNTIL RECOGNIZED BY THE PRESIDING OFFICER.

2. To maintain decorum at public hearings, the mayor will ask the citizens present if they wish to speak for or against the item on the agenda. If so, they will be given an opportunity to do so at the proper time, when recognized by the chair. If more than five citizens wish to address the council on any single agenda item, those citizens are advised to select spokespersons to present their case.
3. Citizens who wish to bring up a matter that pertains to city business or address an item on the agenda may do so, but only under the agenda item "Hear Visitors." **The council is prohibited by law from discussing or acting on any item that has not been posted on the agenda.**
4. **Citizens addressing the city council on items not on the agenda shall be limited to five minutes each. Total time for presentations on any one item or topic shall be limited to twenty-five minutes. The city council members shall not enter into discussion on any subject not properly placed on the agenda; however, the council members may ask questions for clarification purposes.**
5. As a general rule, citizens may not participate in the discussion of the council workshop session.

COUNCIL AGENDA ITEM FORM

MEETING DATE: October 6, 2014

COUNCIL AGENDA ITEM FORM

MEETING DATE: October 6, 2014

AGENDA ITEM #: 6

SUBMITTED BY: Adam Miles, City Manager

ITEM DESCRIPTION:

Authorize the City Manager to negotiate and execute a Memorandum of Understanding concerning development of city property by Premiere Baseball.

STAFF RECOMMENDATION/ITEM SUMMARY:

Approval of this item would authorize a Memorandum of Understanding (MOU) between the City of Hewitt and Premiere Baseball. The primary purpose of this MOU would be to outline a potential public-private partnership concerning development of sports fields on city property.

ATTACHMENTS:

Draft MOU

**MEMORANDUM OF UNDERSTANDING BETWEEN
THE CITY OF HEWITT, TEXAS AND PREMIERE BASEBALL**

OCTOBER 6, 2014

This is an agreement between the City of Hewitt, Texas, hereinafter called "City" and Premiere Baseball, hereinafter called "Premiere".

I. PURPOSE & SCOPE

The purpose of this MOU is to clearly identify the roles and responsibilities of each party as they relate to the development of sports fields on city-owned property.

In particular, this MOU is intended to establish the role of the City and Premiere over the next twelve months as they work together to develop baseball fields and other recreational amenities on approximately 65 acres of land owned by the City.

This MOU contains a description of the planning process, including each party's roles and responsibilities.

II. AGENCY BACKGROUND

Premiere is a group of private investors formed with the purpose of developing and using baseball and softball fields (and other sports fields and amenities) for players of various age groups. Working with the City, Premiere is responsible for developing the overall concept plan and constructing improvements on the property.

The City is the owner of the property and plans to lease city-owned property to Premiere for construction of the sports fields and other amenities. The lease is intended to provide Premiere exclusive use of the areas designated in the lease where Premiere intends to make improvements. The lease shall specifically call out "Exclusive Areas" which are intended to be used exclusively by Premiere.

III. GENERAL ASSUMPTIONS

Premiere intends to develop sports fields for their use in hosting Premiere Baseball and related organized sports events in Hewitt. This will include team practices, multiple team tournaments, specialized training sessions, and other events throughout the year. It is anticipated that Premiere will cause a significant number of players and families, including out of town guests, to visit Hewitt. This activity is expected to generate economic activity and growth in and around Hewitt.

It is expected that long term development will be accomplished in Phases. These Phases will be determined by and agreed upon by Premiere and the City in accordance with a long term development plan of the site. Premiere and the City will work together in all aspects of initial planning and development of the property. This includes programming and planning for site layout, selection of amenities, buildings, landscaping, signage, and planned extension of utilities. The cost of site planning and engineering shall be borne by Premiere.

In Phase I, and in accordance with a mutually agreed upon development plan, Premiere will, at its own cost and expense, develop a minimum of four (4) baseball fields and related amenities.

In consideration of these Phase I improvements, the City will negotiate a long term lease with Premiere for exclusive use of specified city property. Additionally, Premiere agrees to develop additional recreational amenities (ie. playground and walking path), outside of the sport fields or exclusive use areas, that are available for public use throughout the year.

No site work will commence until such time as a formal Lease is approved and executed by both parties.

IV. DEVELOPMENT OF MAINTENANCE AGREEMENT AND COST OF UTILITIES

Premiere and the City will work together to develop long term maintenance standards and "game day" protocols for the leased property. It is anticipated that after completion of the specified Phase I work and acceptance by the City, the City will maintain the leased property, grounds, and facilities. It is anticipated that Premiere will be responsible for scheduling of events on the sports fields and "game day" activities.

In accordance with the mutually agreeable development plan, the City will pay for the cost of extending municipal utilities (water, reclaimed water, and wastewater) to the City Property. Extension of utilities is expected to be Phased and not all utilities may be available at time of opening. Premiere and the City shall further develop a long term utility extension plan for non-municipal utilities. The cost of ongoing municipal utilities shall be paid by the City.

As future needs are identified or issues arise, Premiere and the City will work to resolve those issues and further develop the site in accordance with a mutually approved overall site or concept plan. Future construction phases will be accomplished through a similar mutually agreeable process.

V. IT IS MUTUALLY UNDERSTOOD AND AGREED BY AND BETWEEN THE PARTIES THAT:

This agreement is subject to review and revision at least annually or at the request of either party. Either party may terminate this MOU by notification of intent of termination prior to the expiration of the Term as follows:

By City upon ninety (90) days written notice to Premiere
By Premiere upon ninety (90) days written notice to City

VI. FUNDING

This MOU does not include the reimbursement of funds between the two parties.

VII. EFFECTIVE DATE AND SIGNATURE

This MOU shall be effective upon the signature of both parties and shall be in force until September 30, 2015.

Both parties indicate agreement with this MOU by their signatures.
